MEDIOS DE PAGO

Your Partner for Payment Technologies

Introduction

AZKOYEN Medios de Pago is a division of the Multinational **AZKOYEN Group**. Since 1945, we are working in an increasing number of sectors, spreading to more countries and dealing with a growing number of companies. Our philosophy is based on collaborating with our customers to develop a wide range of creative, secure, technological payment systems designed with the end user in mind.

Our commitments

1. To attend your security requirements

- **Total efficiency against counter faits guaranteed**
- **Anti-liquid design**

2. To make machine design easier

- **Wide range for each application**
- **Recovery motor**
- **Extending coin guides**

3. To reduce operational cost

- **Modular design witch simplifies maintenance**
- **User friendly tools and software**

Standards

The entire range of AZKOYEN Coin Validators complies with the following standars:

- **CE**
- **Rohs**
- **BACTA standards**

05
